ROAR STREET JOURNAL

RELATIONSHIP 101

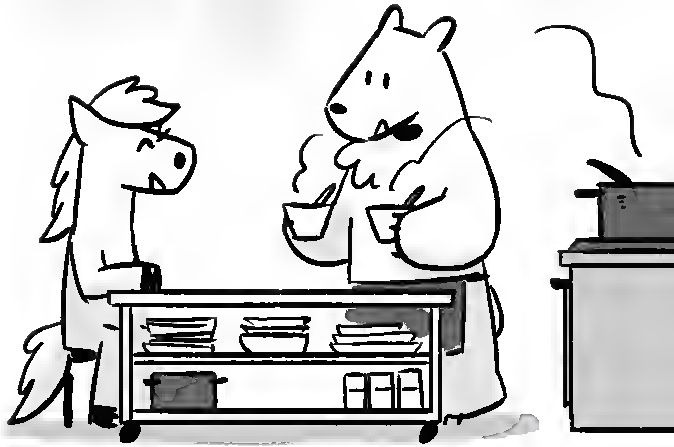
Staying Up Late

MINI

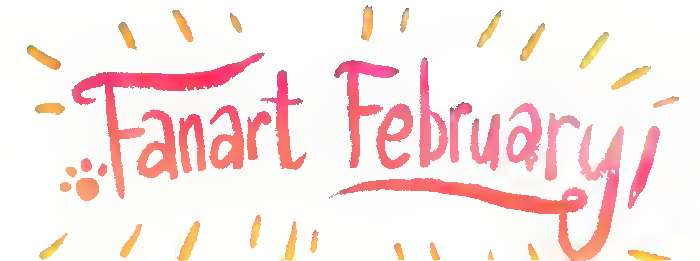
SERIES

z

Great friends don't mind stay up late to support you.



ROAR STREET JOURNAL



Wanted to make you another drawing, because your comic is

still such a wonderful thing I look forward to every week! It always helps me through bad days and inspires me, you can really tell you love what you're doing and it shows in your work as always. Much love from America! <3
